Everything on this aircraft, Dear Passenger, is dedicated to you. Please do not hesitate to ask your Air Hostess or Flight Purser for anything you may require.

We offer First Class Passengers a choice of aperitifs and wines with our compliments for consumption during flight.

However, due to international regulations, we regret we have no alternative but to make a small charge for alcoholic refreshments and cigarettes to our Economy Class passengers.

The Cabin Crew will gladly provide information regarding payment in currencies other than those shown in this Tariff. Please also enquire for details in respect of Customs regulations governing the import of alcoholic beverages and cigarettes at your destination.

By necessity, our stocks of wines and spirits are limited. Your Flight Purser will do his utmost to meet your requirements.

We hope, Dear Passenger, that our service provides everything you need to make your journey a happy and memorable experience.
